1. Drive your sleek white Tesla Model S through the winding, ever-narrowing countryside roads!
2. Use joystick in port 2
3. Overtake the slower black Model 3s
4. The Model 3s are on Autopilot and will do their best to stay on the road
5. When the road becomes very narrow, other cars may pull over to the shoulder to let you pass
6. The sauna is hot - hurry to your cottage
